Minutes of Meeting  
03/09/2026

Meeting called to order at 6:35 with ten (9) members present at the Four Corners Schoolhouse.

Minutes of February 2026 meeting read and accepted.

Treasures report: Checking account begin balance = **\$477.49**, ending end = **\$444.45**. Money market begin balance = **\$18,760.87**, end balance = **\$17,801.27**. Motion made with second to approve, all voted in favor, report accepted. These figures reflect receipt of interest, VAST payments, and our own expenses.

Sandy Woodbeck presented the County News. County dues notice has been delayed. There are three clubs that have yet to receive one, us being one of those. Major southern trail closure due to trail construction without landowner permission and without proper vast paperwork. There is a chance the trail will be re opened, but the club will absorb about \$30k of the work, as vast won't cover it. There was discussion about the accident on the guardrail bridge to get Sandy's input.

Groomer – Everything is going well. Dave straightened the right side bar around mirror. Jeff and Derek swapped out a bad switch on the drag control for a good switch. Jeff replaced light bulbs in light on the back of the cab. Left side plow piston does not seem to be leaking too much, even with the gouge in the piston. No update on insurance claim for the drag, insurance is still waiting for the police report from state police.

Trails – The trails have been fantastic. We have groomed 922 mile, earning \$12,447 – far better than the last number of years. The recent warm weather has caused us to mark trails as yellow, likely will update to red by mid week. We hope to put up the signboard down by Coburn Bridge when picking up the signs.

Misc – Jeff and Derek will bring groomer loan numbers, as well as current bank account balances to the meeting next month so we can decide if we pay extra on our loan this year.

With no additional business to discuss, motion and second to adjourn meeting. All voted in favor and meeting was adjourned at 7:30.

REMEMBER – IF YOU CARRY IT IN – CARRY IT OUT “DON'T TRASH VERMONT”
